The 1st meeting of the new fraternal year began with a delicious meal of BBQ, Brunswick stew, baked beans, cole slaw and peach cobbler. Thanks to GK Dumke.

The 50/50 was won by Tim Phillips.

Unfortunately for Jim Manley who was not present the Pot-O-Gold rolled over to next month. Pot now totals \$49.50 +.

It was decided to have a 1st degree at every other meeting beginning in August if we have any candidates. A 2nd degree will be once a quarter on Saturday tbd.

We have need of members willing to provide meals before the meetings so, if you are willing to step forward and prepare something for the members (approx. 25 who attend), let GK Dumke know.

We have the opportunity to work the concession stand at UWG this fall but it will take the effort of ALL brothers who are physically able to help. Last year we netted over \$15,000. This goes a long way to supporting our council, parish and community. **WE CAN'T DO IT WITHOUT YOU.** Think of what we can accomplish if we can raise this amount or more this year.

Installation of officers will be on July 30 following the 5:00 PM Mass however the installation will take place at the WPA building in Carrollton at N.Spring and Chandler streets. Cost is \$5.00 per person. Call Chuck Klug (770) 830-9179 to make reservations. We need a head count for the caterer.

We still need an editor for this newsletter so if you would like to do this job, please let GK Dumke know.

Concessions

Brothers,

Last year we were able to work the UWG concession stands for all the football games and the basketball games played at home. This was accomplished by a dedicated crew of around 15 brother knights and supplemented by around 10 brother knights and their ladies who helped out. We are grateful to them for their efforts and help.

Together we raised over \$15,000 for the council, youth and community. We were able to replace the odd assortment of chairs in Carroll Center with the folding chairs and storage racks we use now. Additional funds were spent for the youth and St. Vincent DePaul activities as well as council expenses.

UWG has said they want us to work again this year and with the advances in the athletic activities at UWG (just follow the wolves and you will see where I'm going) we can expect the concession stands to be even busier this year.

The point is WE NEED YOUR HELP! Just think what \$15,000 or more can do for the council, church, youth and community.

The work is not limited to brother knights. We encourage your wives and girlfriends (just not on the same night) to come out and help too. The work is light and we usually have a good time and meet a lot of great folks from the community and visitors to our area.

Please consider signing up for a couple of games and you might just get hooked on coming out for a few more. The more help we get the lighter the workload. If you can't help the whole game, we can still use you during half-time which is really the only time we get slammed.

You can email your sign up (name, phone contact and email) to GK Dumke, PGK Michael Barrett (770) 595-1745 michael.t.barrett@gmail.com or myself (770) 830-9179 chuck_klug@bellsouth.net.

On behalf of the council, thank you for your support.
